Subject: Florida Atlantic University 2019-2020 Student Health Insurance Plan

Dear Florida Atlantic University Student,

Health and wellness are key components in making your academic and personal experience at Florida Atlantic University (FAU) meaningful and successful. To help you achieve this, FAU sponsors a Student Health Insurance Plan (SHIP) for eligible students.

For the 2019-2020 academic year, there are important changes to the SHIP program that need to be brought to your attention:

- FAU is excited to partner with Gallagher Student Health & Special Risk to assist us with managing our sponsored Student Health Insurance Program. A key feature for the upcoming year is Gallagher Student Health will host the enrollment process at www.gallagherstudent.com/FAU.

- The health insurance company will change from Aetna to UnitedHealthcare StudentResources. UnitedHealthcare StudentResources has been a leading health insurance company for student health insurance plans for over 40 years. Though the insurance company has changed, there are no benefit changes to the plan.

All full-time domestic Undergraduate students (registered for a minimum of 12 credit hours) and Graduate students (registered for a minimum of 9 credit hours) are eligible to enroll in the plan.
