Florida Atlantic University

How Will You Make Waves?

www.fau.edu/admissions
Welcome to Florida Atlantic University,

one of Florida’s public universities. Here you will find a wide choice of majors, top-notch faculty, small classes and personal attention offered on several campuses and sites where more than 29,000 students are receiving the preparation they need to face the future with confidence.

FAU is ranked among the most culturally and ethnically diverse universities in the country. You will meet students from all 50 states and more than 140 countries. We are one of the top 100 four-year colleges in conferring bachelor’s degrees to minority students.

Honors Opportunities

The Harriet L. Wilkes Honors College provides a unique living-learning environment for students who are highly motivated and want the challenge of an all-honors program. The Harriet L. Wilkes Honors College is located on our John D. MacArthur Campus in Jupiter, FL (40 miles north of the Boca Raton campus).

The University Honors Program is designed to provide freshmen and sophomores exceptional and rewarding learning opportunities through special honors seminars. This program is located on the Boca Raton campus.

We invite you to explore both of these special opportunities at www.fau.edu/admissions and click on “Honors Programs”. Whichever program you choose, you will receive a superior undergraduate education that will prepare you to excel whether you continue on for postgraduate studies or enter the workforce.

ACCOUNTING SCHOLARS 2012 - FAU Accounting Scholars Program graduates are in high demand! This dual-degree honors program has had a 100 percent job placement rate since the program’s inception.

CAREER DAY – Over 100 employers recruit FAU students at the biannual Career Day hosted on the Boca Raton campus including Ernst & Young, the U.S. Department of State and Motorola.

COMMERCIAL MUSIC – Be a part of FAU’s student-run, faculty-supervised recording label, Hoot/Wisdom Recordings, and learn about the ins and outs of the music industry through the Commercial Music program.

ENGINEERING – Engineering students put their skills to the test. FAU’s human-powered submarine team has consistently ranked among the top teams in the International Submarine Race.

ESHP LAB – Students interested in physical therapy, athletic training or sports medicine will gain practical experience in the Human Performance Lab of one of the fastest growing programs at FAU, Exercise Science and Health Promotion.

FAU STUDENT TEACHING – The College of Education places students in local schools as paid instructional interns through Project Good FIT as early as freshman year.

CDSI – The College for Design and Social Inquiry teaches its students to promote safe, healthy and sustainable communities by taking part in immersive internships with various local, state and federal agencies.

RESEARCH – FAU students engage in undergraduate research through many of our academic programs, including marine science at the FAU’s world-renowned Harbor Branch Oceanographic Institute in Fort Pierce, Fla.

COMMERICAL MUSIC – Be a part of FAU’s student-run, faculty-supervised recording label, Hoot/Wisdom Recordings, and learn about the ins and outs of the music industry through the Commercial Music program.
Housing
We offer many housing choices and living on campus is one of the best ways to get connected at FAU. Freshman students have the option of living in Glades Park Towers, Heritage Park Towers or Indian River Towers. We will also be opening a new 614-bed residence hall for freshmen in time for Fall 2013.

Student Life
There is always something to do at FAU. Whether you are cheering for any of the 18 Division I athletic teams or getting involved with any of the more than 300 student organizations on campus, there is something for everyone. Our organizations reflect the diversity of our student body from ice hockey to kiteboarding to Greek life. For more information, visit www.fau.edu/sil.
