COMMUNITY AND GOVERNMENTAL RELATIONS COMMITTEE

DATE: TUESDAY, FEBRUARY 11, 2020

SUBJECT: APPROVE NAMING OF UNIVERSITY ELEMENTS

PROPOSED COMMITTEE ACTION

Recommend that the BOT approves the naming of a classroom within the proposed ADHUS/FAU High School Complex. The proposed name of the classroom will be the "Jugs Family Classroom".

BACKGROUND INFORMATION

Donation:

Justin and Krista Jugs are donating Twenty-Five Thousand Dollars (\$25,000) for a recognition opportunity by naming a classroom within the proposed ADHUS/FAU High School Complex, to be constructed under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs.

Gift Purpose:

The gift will be used to assist with the planning, financing, constructing and equipment purchase for the ADHUS/FAU High School Complex, under the direction and within the discretion of the Assistant Dean of PK-12 Educational Programs.

Donors' Background:

Justin Jugs is the senior vice president of product management for Sandata Technologies, a software company specializing in hospital and health care headquartered in Port Washington, New York. Prior to Sandata Technologies, Mr. Jugs served as chief technology officer for Brevet Group. He also served as vice president of operations for Stratis Business Systems, Inc., which was acquired by MatrixCare. In addition, he was the founder and CEO of Careified.com. During that time, he created a mobile app that enabled home care provider agencies to "share" part-time caregivers.

Justin Jugs earned a B.S. in Management Information Systems from Florida State University, and he holds an M.B.A. from Northwestern University – Kellogg School of Management. He is an alumnus of A.D. Henderson University School.

Krista Jugs is a specialty representative for Takeda Pharmaceuticals, a pharmaceutical company headquartered in Tokyo, Japan.

In 2000, Krista Jugs earned a B.A. in Public Communication from Florida Atlantic University.

The couple resides in Boca Raton.

Facility and Program:

AD Henderson University School/FAU High School is embarking on the largest, most ambitious, and most important campaign in its history. Let's Build This Together brings to life the most comprehensive master plan, completed in 2015, outlining the multi-phase campus replacement project.

The Let's Build This Together initiative for the Developmental Research School at Florida Atlantic University seeks to preserve and elevate the school's reputation as a leader in K-12 education and increase its landmark research and impact. Designed to achieve LEED Gold certification, the new facilities at the Developmental Research School at Florida Atlantic University will teach our students about emerging technologies and the economic, social, and ethical rewards of sustainable design and construction.

The new facility will be critical in facilitating student led research and engineering as AD Henderson University School/FAU High School provides opportunities for experiences beyond the classroom. This new facility will equip our faculty and students to impact the future for years to come.

FISCAL IMPLICATIONS

The estimated cost of signage and installation is a maximum of \$400.00 for design and execution of the signage for the named asset.

IMPLEMENTATION PLAN/DATE

Construction of ADHUS/FAU High School Complex – TBD.
