MEMORANDUM

DATE: February 4, 2014

TO: SUS Data Administrators

FROM: Jan Ignash, Vice Chancellor for Academic and Student Affairs

THROUGH: Gene Kovacs, Assistant Vice Chancellor, IRM

SUBJECT: Student Learning Outcomes Assessment Progress Reports

Due Date: February 28, 2014

Board of Governors Regulation 8.016 requires universities to submit a status report on student learning outcomes assessment for each baccalaureate program. The following elements must be included: (1) identification of expected core student learning outcomes, (2) posting of expected core student learning outcomes on the Web, (3) identification of corresponding assessment tools, (4) posting of examples of corresponding assessment tools on the Web, (5) development of a system of program assessment/evaluation, and (6) use of information to improve student achievement and program effectiveness. The status report covers the period from January 1, 2013, through December 31, 2013. The due date for the report is February 28, 2014.

Please use the attached template to report on the status of student learning outcomes assessment in each baccalaureate degree program. The Board's expectation is that each element be reviewed for possible improvement with the exception of new programs early in their review cycles or programs undergoing significant modifications. If an element is not reviewed for possible improvement, please provide a brief explanation in the comment section of the template.

Terminated programs that were not phased out by December 31, 2013, and inactive programs that still have students enrolled as of December 31, 2013, should be included. If the report includes a terminated or an inactive program, please note in the comment section of the template that the program status is terminated or inactive. Terminated programs that were phased out prior to December 31, 2013, and inactive programs that have no students enrolled as of December 31, 2013, should not be included. Please submit only one response per institution, and be sure to identify the individual responsible for the completion of the status report on the front page of your institution's report. Submissions should be e-mailed to: SUS-Submissions@flbog.edu.

Please contact Andrew Morse by email at Andrew.Morse@flbog.edu or by phone at
