SUBJECT: APPROVE NAMING OF UNIVERSITY ELEMENTS

PROPOSED BOARD ACTION

Approve naming of a conference room within the Schmidt Family Complex for Academic and Athletic Excellence the "Drs. Alan B. Aker and Ann Kasten Aker Conference Room".

BACKGROUND INFORMATION

Donation:

On or about June 10, 2015 Alan B. and Ann Kasten Aker donated Five Hundred Thousand Dollars (\$500,000) (the "Gift") for a recognition opportunity within the Schmidt Family Complex for Academic and Athletic Excellence.

Gift Purpose:

The Donors' Gift was to support the Schmidt Family Complex for Academic and Athletic Excellence. Construction of the SF Complex has been completed and the parties now wish to affirm the naming opportunity provided to Donors within the Schmidt Family Complex. In its continued pursuit of excellence, Florida Atlantic University constructed this complex at the heart of its Boca Raton campus to allow student-athletes to excel in the classroom and on the field, as well as to benefit students in all academic programs.

This initiative exemplifies FAU's drive to enhance its stature and visibility nationally and internationally.

The Schmidt Family Complex for Academic and Athletic Excellence will play a central role to elevate FAU's academic standing and will benefit students in all academic programs, including those not associated with athletic programs.
