ACADEMIC PROJECTS

Florida Atlantic University (FAU) Athletics Banner Logo (*Computer Design, Spring 2014*)

Designed and created a new banner logo for the FAU Athletics marketing team. The former banner logo had been in use for decades, so rather than redesign, it was more beneficial to create a school-spirited appearance to suit the FAU athletics department. Created a custom hand drawn style for the tagline with distinctive photography for advertising. [http:// Gavingraphicdesigns.com](http://Gavingraphicdesigns.com)
