Objective

As a Leadership Coordinator, my primary goal is to engage, lead actively, and champion both current and aspiring leaders throughout the district. I provide a myriad of opportunities while fostering a growth mindset and enhancing the overall capacity within our district. As an adjunct, I am committed to cultivating a supportive and engaging learning environment. I strive to foster the growth and cultivate the potential of emerging leaders through collaborative learning experiences, equipping them for the duties and challenges of an assistant principal role.

Experience

December 2017 to present.
Leadership Coordinator • Leadership Development

August 2018 to present.
Adjunct • Florida Atlantic University

August 2010-December 2017
Assistant Principal & Intern Principal • Crystal Lake Middle
School

As an educational leader, I took on the responsibility of supervising daily operations, overseeing staff management, and ensuring adherence to educational regulations. Additionally, I prioritized providing the necessary support to teachers and staff, empowering them to deliver the highest quality education to their students. As an adjunct, I play a critical role in shaping the next generation of educational leaders by imparting knowledge, fostering critical thinking, and preparing students for the challenges and responsibilities of leadership roles in education.
