TITLE: GROUNDS REQUIREMENTS FOR CLASS BREAKS

OBJECTIVE AND PURPOSE: To establish standard tasks to be accomplished by Physical Plant Grounds operations during class breaks. Class Breaks consist of the following:

- Period between Spring Commencement and Summer term
- Period between Summer Commencement and Spring Term
- Winter Recess
- Spring Break

RESPONSIBILITY: ACTION

PHYSICAL PLANT MANAGEMENT/GROUNDS SUPERINTENDENT/GROUNDS CREW

♦ Routine Tasks to be done between all Breaks:
  - PM sprinkler systems in important areas of campus (Administration, Baldwin House, Alumni Circle, 20th Street)
  - Mulch areas of campus as determined by Assistant Director
  - Bed Work (trim hedges and remove leaves, trim palm fronds)
  - Edge all grass areas meeting paved areas (remote areas not done with all mowing)
  - Tree work as determined by Assistant Director
  - Pressure clean high profile areas (Breezeway, Administration, Baldwin House)
  - Extensive litter patrol sweep

♦ Winter Break:
  - Mulch Breezeway
  - Pressure clean as assigned

♦ Spring Break:
  - Pressure clean as assigned

♦ During the Summer months:
  - Plant installation where necessary
  - Clean out native Palmetto tree stands in selected areas (20th Street, Lot 17)
  - Pressure clean as assigned
