BOCA RATON - The Florida Atlantic University College Panhellenic Association was named one of the 18 Panhellenic associations to receive the College Panhellenic Achievement Award for 2017-2018 from the National Panhellenic Conference. This is the second consecutive year that FAU College Panhellenic Association has received this award.

Awards are presented for accomplishments in academics, recruitment, judicial procedures, Panhellenic programming and structure, Panhellenic community impact and relations, and communication with area adviser.

The National Panhellenic Conference has recognized student-led College Panhellenic Associations with awards for more than 50 years and has used the excellence and achievement structure since 2013. "With member organization chapters at more than 670 U.S. and Canadian colleges and universities, only the top scoring groups are honored."

"The College Panhellenic Associations being recognized have excelled in all areas of Panhellenic operations and met the core competencies of reporting and communication," said Frances Mitchelson, the National Panhellenic Conference Panhellenic chairman.
