## Study Group - Direct Admission

Admission

Education Consulant (Agent)

 The student applies and submits all documents and communication through an Education Consultant or Agent. The agent represents them in the application process.

Study Group Application

 The agent completes the online Study Group application and submits all required documents from the student.

Foreign Credential Evaluation

 The agent uploads the student's unofficial transcript into the SG application portal. SG completes the credential evaluation.

English Proficiency Scores

 The agent uploads the student's English score report into the SG application portal. Supplemental Materials (optional)

 Some students choose to submit GRE/GMAT scores. personal statements, or recommendations. etc. They are uploaded into the SG application portal by the agent.

Referral to FAU International **Enrollment Sycs** 

 SG verifies the FAU International student meets all admission requirements. The application is referred to FAU International Enrollment Services. SG submits the online Graduate College application for the student.
