### Graduate Programs

**College of Engineering and Computer Science**

**Degree:** Master of Science (M.S.)

**Major:** Bioengineering

**Research Areas:** Bioinformatics and Data Mining, Tissue Engineering and Nanotechnology, Robotics for Biotechnology, Image Processing for Bio-Imaging and for Bio-Image-Informatics, Technology Solutions in Health Care Engineering.

**Important information about applying to Graduate School:**

- **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation:** Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

- **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

**Application Deadlines**

**Domestic Students**

- Fall: July 1
- Spring: November 1
- Summer: April 1

**International Students**

- Fall: February 15
- Spring: July 15
- Summer: January 15

---

### Admission Requirements

**Domestic Students**

- A baccalaureate in Biology, Chemistry, Physics, Computer Science or Engineering
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements

**International Students**

- A baccalaureate in Biology, Chemistry, Physics, Computer Science or Engineering
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 500 on PBT (paper-based test) or 79 IBT (internet-based test) or 213 CBT (computer-based test); IELTS 6.0
