## Admission Requirements

### Domestic Students

- Undergraduate GPA of 3.0  
- GRE is required; minimum test score of 155 on the Quantitative Reasoning section  
- Three letters of recommendation  
- BA degree in Mathematics or related field required  
- Statement of personal objectives in essay form

### International Students

- Undergraduate GPA of 3.0  
- Graduate GPA of 3.0  
- GRE is required; minimum test score of 155 on the Quantitative Reasoning section  
- Three letters of recommendation  
- BA degree in Mathematics or related field required  
- Statement of personal objectives in essay form  
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member  
- TOEFL score of 500 (PBT) or 61 (IBT); IELTS 6.0; Duolingo 90

---

**Important information about applying to Graduate School:**

- **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.  
  NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation:** Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

- **Conduct:** A “yes” answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.  
  NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
