Preparing for Move-in Day
Pack only the essentials. You can always bring extra belongings later in the semester. Carts will also be available but on a first-come, first serve basis so it is suggested to bring your own cart or dolly. Please note, there is no space for storage of boxes, suitcases, or trunks. If you plan to have any of your items mailed or sent via parcel post, please make arrangements for an arrival date after your initial move-in day.

Some topics to get you started: Favorite music, food, movies or TV shows, your planned major or classes that you’ll be taking at FAU, what each of you will bring; TV, computer, printer, fridge, microwave, etc. and ways to stay in touch over the summer.

WHEN YOU ARRIVE

Report to your assigned check-in area
This is the first thing you should do when you arrive so you can get your key to your room. You must present a valid form of identification and provide your Z number when checking in.

What you will receive upon arrival
- Key(s): You will be given a key to your room and a mailbox key.
- A Room Condition Report (RCR): This must be completed and signed before you can move-in. You must check the room before you move-in to ensure that the RCR is accurate. This form will be used at check-out to assess if any damages have occurred and to charge you for those damages that may have occurred during the year.

24-hour Front Desk Service
Once moved in, head down and meet the front desk staff located in the lobby of your building. The staff is there to provide information and security assistance 24 hours a day. Don’t forget to save the front desk phone number to your phone in case of an emergency. Front Desk 561-799-8828 FAU Police Department 561-339-0015

Meet your RA
Your RA is your Resident Assistant. They are an upperclassmen living in your area trained to work with other residents to establish a sense of community for all on-campus students. Your RA is a great resource who can help answer questions regarding the University and surrounding communities. They can assist with roommate conflicts, maintenance concerns and other issues of interest. Throughout the year, RAs will plan various programs and activities with, and for, the residents. Also, an RA is on call each night and during weekends.

Room Assignments, Room Changes, Suitemates
A room transfer freeze period is in effect from the time your initial assignment is made until two weeks into the fall semester. This freeze allows us to locate all available spaces. During the freeze we are unable to make changes to your room or building assignment.

You may complete a Room Transfer Request Form online as early as the second week of classes. In some cases, suitemate information and assignments may change due to unforeseen needs for relocation as determined by the Department of Housing and Residential Life. Should this occur, we will make every attempt to contact you as soon as we are aware of a change.

RESIDENTIAL MAIL SERVICES

Each resident is assigned a mailbox. Letter-mail can be accessed 24/7 in your buildings lobby mailboxes. Packages can be picked up from the Housing Office located in RH1. It is imperative to always use the address of the building you are living in to ensure proper delivery.

*Due to very limited space in our mail rooms, we are unable to hold large packages prior to move-in day so please plan accordingly.
