Spring into Research 2016

6th Annual Broward Student Research Symposium
March 18, 2016 | 8 am - 1 pm | Davie West Building | Davie Campus
Abstract Submission: February 1 – March 1, 2016
This event features research activities of Broward graduate and undergraduate students and gives student researchers the opportunity to experience presenting research (planned or ongoing) or course projects. In addition to the awarding of prizes, the event provides a forum for student interaction with faculty and peers while showcasing their work. Options for the day include poster, multimedia and 10-minute oral presentations, more information at http://www.fau.edu/broward/academics/research-opportunities.php

7th Annual Graduate & Professional Research Day
March 25, 2016 | 10am – 5pm | Live Oak Pavilion & Grand Palm Room | Boca Raton Campus
The annual Graduate and Professional Research Day is a University-wide event showcasing research of FAU graduate students. Graduate and medical students engaged in various scholarly and research projects across the university are invited to participate in and take advantage of the opportunity to showcase their work to colleagues, peers and others. Research Day activities will include poster presentations, awards, prizes, lunch and a judged research competition.
