

Reinstatement into the University or the College of Social Work & Criminal Justice (SW-CJ) is a very serious matter. The goal of the Reinstatement Committee is to determine if you have overcome the obstacles to your educational goals that impeded your academic progress previously. The reinstatement process will cause you to reflect on previous issues and to ensure that you have adequately comprehended the factors that will lead to success. It is not the intention of the Committee to set the student up for failure, but to assist you in meeting your academic goals. All information submitted to the Committee will be kept confidential. ** Please be aware that approval of your petition is a recommendation only to the Office of Admissions, who have the final approval of all undergraduate admissions. **
