

College of Social Work & Criminal Justice Third- Attempt Petition

*To the student: as of September 2014, the University has instituted the "limits on Repeat Courses Policy" that requires the student to meet with an academic advisor to request to register for a course the 3rd time. The policy also requires that the student provide the Advisor with a written statement/ plan for success in the course on the next attempt. This form and notes from the advisor will be added to your student file for our records.
