Yes, perfect! I apologize, I didn't see this one before.

Best,
Debra

Hi Ethlyn:

This looks good except that you need to designate which UG courses can be substituted for which GR courses. The coursework substitutions need to make sense in the original intent of the curriculum map for the programs.

The UG program needs to be at 120 credits, which you have resolved.

If you have any questions, please feel free to contact me.

Best,

Debra
