PSB 4931 Honors Special Topics in Neuroscience
PSB 4932 Max Planck Honors Seminar
PSB 4951 Honors Journal Club in Neuroscience
PSB 4970 FAU Max Planck Honors Thesis

As per the Honors Curriculum Manual, the proposals for these new Max Planck Honors Program courses were submitted to the Schmidt College of Science and the Wilkes Honors College Undergraduate Programs Committees and presented to the UHC on 23 February 2018. The UHC approved these courses and also recommended that the titles for these courses include the "Honors" designation. The UUPC approved these courses on 26 February 2018. Upon recent consultation with the Wilkes Honors College, these suggested new titles with the Honors designation have been noted on the subject line of this memorandum.

Thank you for allowing the UHC to submit this addendum to the original proposal.
