EDUCATION

Ph.D. Philosophy (1991)
University of Miami

Dissertation: “Edmund Husserl: Intentionality and Meaning”

Master of Arts Philosophy (1990)
University of Miami

Bachelor of Arts English, Philosophy (1985)
Minors: History, Chemistry
University of Miami

MAJOR FIELDS

- Phenomenology
- Philosophy of Science
- Philosophy of Language
- Philosophy of Mind

- **Philosophical Orientation:** Analytico-Phenomenological

LANGUAGES

- Italian (Native/bilingual speaking, reading, and writing proficiency)
- French (Native/bilingual speaking, reading, and writing proficiency)
- Spanish (Native/bilingual speaking, reading, and writing proficiency)
- Portuguese (Full reading proficiency)

PROFESSIONAL EXPERIENCE

2022- Present	Professor Department of Philosophy Florida Atlantic University
2001- 2022	Associate Professor Department of Philosophy Florida Atlantic University
1995- 2001	Assistant Professor Department of Philosophy Florida Atlantic University
1993- 1995	Visiting Assistant Professor Department of Philosophy Florida Atlantic University
Summer 1993	Adjunct Professor of Humanities Miami-Dade Community College
1992- 1993	Adjunct Professor of Philosophy Florida A&M University
1990- 1991	Instructor, Dept. of Philosophy University of Miami
1986- 1989	Teaching Assistant, Dept. of Philosophy University of Miami

ADMINISTRATIVE EXPERIENCE

2017- 2019	Chair Department of Philosophy, Florida Atlantic University
2008- 2011	Associate Dean D. F. Schmidt College of Arts and Letters, Florida Atlantic University
2003- 2008	Chair Department of Philosophy, Florida Atlantic University

RESEARCH AND SCHOLARSHIP

COMPETITIVE RESEARCH GRANTS AND FELLOWSHIPS

1995

National Science Foundation: \$900 travel grant to present paper titled “Phenomenology of Science and the Problem of Induction” at the 10th International Congress of Logic, Methodology and Philosophy of Science, sponsored by the International Union of History and Philosophy of Science (Florence, Italy), August 19-25, 1995. [This competitive NSF grant was awarded through the Philosophy of Science Association based on a two-page abstract of the paper.]

REFEREED PUBLICATIONS

Books

2020

The Chemical Philosophy of Robert Boyle: Mechanicism, Chymical Atoms, and Emergence (Oxford: Oxford University Press, 2020).

Co-Authored Books

2023

From the Atom to Living Systems: A Chemical and Philosophical Journey into Modern and Contemporary Science, with Giovanni Villani (Oxford University Press, 2023).

Co-Edited Books

2006

Shifting the Geography of Reason: Science, Gender, and Religion, edited and with an introduction by Marina Paola Banchetti-Robino and Clevis R. Headley (London: Cambridge Scholars Press); 2nd edition – paperback (London: Cambridge Scholars Press, 2008).

1999

Philosophies of the Environment and Technology, edited by Marina Paola Banchetti-Robino, Lester Embree and Don Marietta, with an introduction by Marina Paola Banchetti-Robino, in the series *Research in Philosophy and Technology*, Carl Mitcham (General editor), Vol. 18 (Stamford, CT: JAI Press, Inc.).

Edited Journals

2023

Guest editor, *Philosophies*, Special issue on ‘Philosophy of Languages and Logic’ (Forthcoming in 2024).

2017

Guest editor, *Foundations of Chemistry*, Special issue for the 20th annual symposium of the International Society for the Philosophy of Chemistry (Part II), Vol. 19, No. 3.

CONFERENCES ORGANIZED

2016

Organizer, 20th annual symposium of the International Society for the Philosophy of Chemistry, Florida Atlantic University, August 1-4.

SPECIAL CONFERENCE SESSIONS ORGANIZED

2018

Organizer, Special Cognate Society Session on “What is a Chemical Element?”, Philosophy of Science Association 2018, Biennial Meeting, Seattle, November 1-4.

INVITED LECTURES

2021

“The Role of Negative-Empirical Concepts in Sennert and Boyle”, panel discussion , Princeton-Bucharest Seminar in Early Modern Philosophy (Princeton University), September 21.

“John Dalton: Reconciling Atomicity and Elementarity”, Seminar on the History and Philosophy of Physics, Laboratoire Sphère - Université de Paris Diderot (Paris, France), May 18.

Discussion of my book *The Chemical Philosophy of Robert Boyle: Mechanicism, Chymical Atoms, and Emergence*, Association for the Discussion of the History of Chemistry (University of Cambridge, U.K.), February 15.

2020

“La Relacionalidad de las Propiedades Químicas en la Filosofía de Robert Boyle”, Jornadas de Fundamentos de Química (Symposium on the Foundations of Chemistry), sponsored by the Facultad de Ciencias Exactas y Naturales (Department of Exact and Natural Sciences) and CONICET, Austral University and University of Buenos Aires (Argentina), December 15.

2019

“Early Modern Chemical Ontologies and the Shift from Vitalism to Mechanicism”, Special Symposium of the Joint Commission of the International Union of History and Philosophy of Science and Technology, 16th International Congress of Logic, Methodology and Philosophy of Science and Technology, Institute of Philosophy of the Czech Academy of Sciences (Prague, Czech Republic), August 5-10.

"Nanotechnology as Hermeneutic Technics: Phenomenological Epistemology and the Manipulation of Nanomaterials", 2019 Phenomenology Roundtable, Florida Atlantic University, May 24-25.

2018

“Robert Boyle and the Relational and Dispositional Nature of Chemical Properties”, Seminar on the History and Philosophy of Chemistry, Laboratoire Sphère - Université de Paris Diderot (Paris, France), March 7, 2:00-4:00 p.m.

2001

"Husserl's Theory of Language as Calculus Ratiocinator", 2001 Phenomenology Roundtable, Brown University, June 15-18.

REFEREED CONFERENCE PRESENTATIONS

2021

“Robert Boyle on the Dispositional and Relational Nature of Chemical Properties”, 24th annual symposium of the International Society for the Philosophy of Chemistry, University of Buenos Aires (Buenos Aires, Argentina), July 12-23.

2019

“Phenomenological Epistemology and Nanotechnology: Scanning Tunneling Microscopy as Hermeneutic Technics”, 23rd annual symposium of the International Society for the Philosophy of Chemistry, University of Torino (Torino, Italy), July 15-17.

2018
