**SUBJECT: REQUEST TO REPEAL FAU REGULATION 4.003, TRAFFIC REGULATIONS**

---

**PROPOSED BOARD ACTION**

Repeal FAU Regulation 4.003, Traffic Regulations.

**BACKGROUND INFORMATION**

FAU Regulations 4.003 and 7.003 relate to University Traffic and Parking. FAU Regulation 7.003 was previously amended to incorporate the provisions of Regulation 4.003. As a result, all provisions relating to traffic and parking are now consolidated into a single regulation, FAU Regulation 7.003, and Regulation 4.003 is moot. Through an oversight, Regulation 4.003 was not repealed when its terms were incorporated into Regulation 7.003. This repeal corrects that oversight.

**IMPLEMENTATION PLAN/DATE**

If approved by the Board, the regulation will be repealed effective June 4, 2019.

**FISCAL IMPLICATIONS**
