**SUBJECT: RECOMMEND APPROVAL OF AMENDMENTS TO REGULATION 4.007,
STUDENT CODE OF CONDUCT**

PROPOSED COMMITTEE ACTION

Recommend BOT approval of amendments to FAU Regulation 4.007, Student Code of Conduct.

BACKGROUND INFORMATION

Pursuant to Board of Governors Regulation 6.0105, the University is required to establish a committee, including student representation, for purposes of periodic evaluation of its student disciplinary system. FAU's committee, which included representatives from the Dean of Students' Office, Student Activities and Involvement, Provost's Office, Office of Housing and Residential Education, Victim's Services, Office of Civil Rights and Title IX, and two students, met during the Spring 2024 semester and reviewed FAU's Student Code of Conduct for purposes of collaborating on suggested revisions. The Student Code of Conduct is a critical component of the University's efforts to teach civic and social responsibility and outlines the student disciplinary process for addressing behavior that is inconsistent with the high standards we expect from students attending FAU. These revisions are intended to update the Student Code of Conduct and ensure compliance with new and existing Florida law and Board of Governor's requirements. The proposed changes are summarized as follows:

1. Reflects the University-wide adoption of the Board of Governor's Statement of Free Expression.
2. Clarifies the role of advisors in student conduct proceedings.
3. Updates definitions, violations, and procedures in the Code of Conduct to ensure consistency with existing University practices, procedures, and Florida law.
4. Updates the FAU Office of Equity and Inclusion to its new name FAU Office of Civil Rights and Title IX, as well as the Executive Director's name and

- contact information. Also updates the title of the Vice President for Student Affairs.
5. Modifies the section on expungement to include cases in which expungement will not be considered and reorganizes the expungement provisions into a separate subsection.

IMPLEMENTATION PLAN/DATE

If approved by the Board, the regulation will be amended and effective August 13, 2024.

Regulation 4.007 Student Code of Conduct

(1) Statement of Philosophy.

The University's Student Code of Conduct is an integral part of the educational mission of the University, emphasizing the development of each individual's acceptance of their own personal and social responsibilities. This regulation ensures fairness in the implementation of procedural requirements and establishes foundational values and expectations for all students.

The University's Student Code of Conduct is designed to provide and help maintain an atmosphere within the University Community that is conducive to academic pursuits and personal growth. ~~Serious action against a student, such as separation, is considered and invoked only when other remedies fail to meet the needs of the University Community.~~

Utilizing best practices related to restorative and transformative justice and educational sanctioning, this regulation outlines expectations related to student accountability while focusing on the restoration of any harm done to individuals and/or ~~the community~~ communities, the development of essential conflict resolution skills, and the development of students as global citizens.

(2) Principles.

The University values its role in preparing students for productive lives in the workplace and in society. The Student Code of Conduct provides consistent expectations related to students' personal conduct, both on and off of the University campus. The University principles and this regulation address respect for laws, policies and regulations; for people and property; for fairness, and integrity.

- (a) Respect for Regulations, Policies and the Law. All ~~students in the University Community~~ students, both on and off campus, and regardless of institutional or program affiliation, are ~~expected to know~~ responsible for knowing and ~~adhere~~ adhering to the regulations, and policies of the University, as well as local, state, and federal laws. ~~If regulations, policies or laws are considered to be unfair or improper, it is expected that students~~

~~comply with stated laws and will seek appropriate, established, and lawful procedures to effect change.~~

- (b) Respect for People. Students are encouraged to conduct themselves in a manner that exemplifies respect for all people and to adhere to their personal values without unduly imposing them on others. In interpersonal relationships, students are encouraged to respect the rights of others and to serve as leaders in promoting compassion and challenging prejudice. Students are encouraged to ~~resolve~~ manage conflicts and address differences ~~with civility. All students in the University Community, regardless of institutional or program affiliation, are expected to know and adhere to the regulations, rules, and policies of the University, as well as local, state, and federal law~~ through civil discourse and engagement. The University has adopted the Board of Governors' Statement of Free Expression and complies with the principles of free speech and civil discourse that require all public postsecondary institutions to support and encourage a full and open discourse and robust exchange of ideas and perspectives on campus.
- (c) Respect for Property. Students are encouraged to conduct themselves in a manner that exemplifies respect for their own property and the property of ~~the University Community~~ others, both on and off campus.
