SUBJECT: APPROVAL OF WEBSITE FORM FOR STAKEHOLDER INPUT

PROPOSED COMMITTEE ACTION

Approve the Website Form for Stakeholder Input

BACKGROUND INFORMATION

Board of Governors Regulation 1.002 requires the committee to oversee a webpage on the institution's website that includes a link to the homepage for meetings related to the search and information on the means of providing stakeholder input, which shall be maintained for purposes of transparency. The proposed form provides stakeholders a means for providing input on what the priorities the next president should address; the leadership capabilities, professional experiences, qualifications, and personal characteristics the next president should possess; obstacles to success and most pressing challenges; and the most compelling aspects of Florida Atlantic University.
