

NGP Student Progress Committee Evaluation 2023-24

Students are required to meet with their Supervisory/Dissertation Committee annually beginning in year 2 to review/discuss their progress towards advancement and degree completion. All Committee members are expected to attend to provide advice and support for the student's research efforts. At least three members must be tenured or tenure-track FAU Graduate Faculty. The Chair will fill out this form and the Chair and student shall sign the final version. Please send the final report to Ms. Linda Petersen (Ipetersen@fau.edu) in the NGP Administrative Office. Additional pages can be attached if needed.

Student "Z" Number:

Faculty Committee Meeting Date:

Student's Program: Student's Anticipated Graduation Semester and Year: Committee Chair: List all Committee members and their departments. Briefly describe the student's progress in research and course work. Highlight/list accomplishments including publications (with citations), meeting presentations, abstract submissions, workshop training, and fellowship or award applications submitted or received that included the student's data, with the funding source. Provide any comments, suggestions and/or concerns about the student's progress, as discussed at the meeting, and for each member, indicate if progress was rated as Satisfactory or not. Please list items (courses, papers, experiments) that the student is expected to complete before the next meeting and indicate if the committee felt the student was on schedule to graduate in the anticipated term. Total # of Dissertation credits earned: Total # of credits remaining to complete the program: Has the student advanced to Candidacy yet? Yes No Faculty Supervisor: Name Signature Date	udent's Name
