  - PTR -document outlining draft of a policy> Reviews will begin Spring 2023. 20% who are eligible will go forward this spring. All Chairs in the university will be meeting and the COE Chairs will meet with the Dean. If we don't hit the 20% eligible criteria faculty will be identified to volunteer. Paul P. suggests everyone read the PTR document. Suggestion is that PTR be more stringent the SPE criteria. There does not appear to be a push back by the university and it was shared by tthe group that it was disheartening to see that the university is simply complying with the law as opposed to asking questions. The importance of being a member of the union was also mentioned to support faculty in instances such as PTR.

**Adjourn:** Sabrina S. moved to adjourn meeting, seconded by Dale W. meeting adjourned at 1:44 pm.
