

FLORIDA ATLANTIC UNIVERSITY

2024 Engineering Technology Summer Camp

TRAFFIC ENGINEERING & INTELLIGENT SYSTEMS

Join the 2024 Engineering Technology Summer Camp at Florida Atlantic University's College of Engineering and Computer Science.

Discover the world of Traffic Engineering and Intelligent Transportation Systems:

- Gain insight into traffic engineering's evolution amidst emerging technologies.
- Dive deep into traffic flow fundamentals and congestion causes.
- Explore essential tools like traffic simulation and signal timing software.
- Engage with modern traffic monitoring and connected vehicle data.
- Foster a foundational understanding of traffic engineering and its future challenges.

Experience hands-on learning through demonstrations, experiments, and computer simulations, providing a glimpse into potential transportation and traffic engineering career paths.

DETAILS:

- June 3 - 7, 2024
- 9:00 am - 4:30 pm
- Boca Raton Campus

INSTRUCTORS:

- David Kan, PhD.,
Transportation Graduate
Students
- Teaching Assistant: TBA
