

VITA

DAVID F. BJORKLUND

June 2022

Personal Information

Office Address: Department of Psychology
Florida Atlantic University
777 Glades Road
Boca Raton, Florida 33431-0991
E-mail: dbjorklu@fau.edu
<http://www.psy.fau.edu/people/dbjorklu.php>

Education

Undergraduate: B.A., (cum laude), 1971
University of Massachusetts, Amherst
Psychology

Graduate: M.A., 1973
University of Dayton
Psychology

Ph.D., 1976
University of North Carolina, Chapel Hill
Developmental Psychology

Professional Experience

September 1976-
Present Professor (since 1986)
Department of Psychology
Florida Atlantic University

January, 2018-
Present Associate Chair
Department of Psychology
Florida Atlantic University

October 2020-
Present Vice President, Evolution Institute
<https://evolution-institute.org>

June-August
1988, 1990 Visiting Professor
Max-Planck-Institute for Psychological Research
Munich, Germany

September 1993-
July 1994 Visiting Professor
Department of Educational Psychology
University of Georgia

January 1994- May 1994	Visiting Professor Department of Psychology Emory University
September 1982- January 1990; August 1996- August, 1997; August 2002- August 2005	Coordinator of Graduate Studies Department of Psychology Florida Atlantic University
May 2001	Visiting Professor Department of Psychology James I University, Castellón, Spain
January 2002- June 2002; May-June 2003	Alexander von Humboldt Research Professor Institut für Psychologie IV University of Würzburg, Germany
May-June 2004	Visiting Erskine Fellow University of Canterbury Christchurch, New Zealand
January 2008- August 2014	Master Teacher, Department of Psychology Charles E. Schmidt College of Science, FAU

Awards

- Scholar of the Year, Professor Level, Charles E. Schmidt College of Science, Florida Atlantic University, 2016
- Honorary Doctorate (*Doctor philosophiae honoris causa*), University of Bern, Switzerland, 2015
- Excellence in Graduate Mentoring Award, Florida Atlantic University, 2009
- Researcher of the Year, Professor Level, Charles E. Schmidt College of Science, Florida Atlantic University, 2007
- Visiting Erskine Fellow, University of Canterbury, Christchurch, New Zealand, 2004
- Distinguished Alumnus Award, Department of Psychology, University of North Carolina at Chapel Hill, 2002
- Humboldt Research Award, Alexander von Humboldt Foundation, Germany, 2001-2003
- Recipient of “Programa Cátedra” from the Spanish Fundación BVV, 2001
- Undergraduate Professor of the Year, Florida Atlantic University Psychology Club, 2001
- Professorial Excellence Program Award, Florida Atlantic University, 1996

Award for Excellence in Undergraduate Instruction, Florida Atlantic University, 1989, 1996

Teaching Incentive Program Award, Florida Atlantic University, 1994, 1998

Saltarelli Award for Excellence in Research, Sigma Xi Chapter of Florida Atlantic University, 1989

Invited Colloquia

Augustana College (Lewis Stone Memorial Lecture)
Brunel University, London, UK
Center for Naval Analysis, Alexandria, VA
Clemson University
Dennison University
Duke University
Emory University
Furman University (McCahan Colloquium Series)
Hillsdale College
James I University, Castellón, Spain
Kansas State University
Marshall University
Massachusetts General Hospital Institute of Health Professions
Max Planck Institute for Evolutionary Anthropology, Leipzig, Germany
Max Planck Institute for Human Development, Berlin, Germany
Max Planck Institute for Psychological Research, Munich, Germany
Memphis State University
Nova University
Oakland University
Queens University, Belfast, Northern Ireland
University of Barcelona, Spain
University of Bern, Switzerland
University of Canterbury, New Zealand
University of Dayton
University of Geneva, Switzerland
University of Georgia, Educational Psychology
University of Georgia, Institute for Behavioral Studies
University of Göttingen, Germany
University of Florida, Department of Psychology
University of Florida, Foundations of Education
University of Hildesheim, Germany
University of Jena, Germany
University of Konstanz, Germany
University of Maryland, College Park
University of Maryland at Baltimore County
University of Miami
University of Michigan
University of Munich, Germany
University of New Hampshire
University of North Carolina at Chapel Hill
University of North Carolina at Charlotte
University of North Carolina at Greensboro
University of North Carolina at Wilmington

University of Regensburg, Germany
 University of South Carolina
 University of Utrecht, The Netherlands
 University of Würzburg, Germany
 University of Zürich, Switzerland
 Wright State University

Teaching

Undergraduate

Introductory/General Psychology
 Cognitive Development
 Cognition
 Evolutionary Psychology

Child/Developmental Psychology
 Statistics
 Honors Seminar
 Honors Critical Questions in Psychology

Graduate

Seminar in Cognitive Development
 Seminar in Language Acquisition
 Seminar in Social Development
 Developmental Psychology and Education
 Seminar in Individual Differences
 in Children's Thinking

Theories of Child Development
 Foundations of Cognition for Education
 Seminar in Memory Development
 Evolution of Human Intelligence
 Evolutionary Psychology
 Evolutionary Developmental Psychology

External Professional Activities

Editorial Consultant

Series Editor, *Cambridge Elements in Applied Evolutionary Science* (Cambridge University Press),
 2021-present (In collaboration with the Evolution Institute, <https://evolution-institute.org>)

Editor-in-Chief, *Journal of Experimental Child Psychology*, 2007 – present

Associate Editor, *Journal of Experimental Child Psychology*, 2005 – 2006

Board of Editors (Associate Editor), *Child Development*, 1997 – 2001

Editorial Board Member

Developmental Review, 2001 – present
 Evolutionary Psychology, 2006 – present
 Evolutionary Behavioral Science, 2013 – present
 Evolutionary Psychological Science, 2014 – present
 Evolutionary Studies in Imaginary Culture, 2017 - present
 Journal of Comparative Psychology, 2001 – 2016
 Journal of Cognition and Development, 1999 – 2009
 Educational Psychology Review, 2001 – 2006
 Journal of Experimental Child Psychology, 1985 – 2005
 Developmental Psychology, 1995 – 1998
 Cognitive Development, 1996 – 1999
 School Psychology Quarterly, 1998 – 2002

Co-Editor, *The Developing Mind Series* (Lawrence Erlbaum)

Action Editor for A. D. Pellegrini (2005). *The role of recess in modern schools*. Mahwah, NJ: Erlbaum.

Editor of Special Issues

Co-Editor (with Karin Machluf and James Liddle) for Special Issue of *Evolutionary Psychology* (2014). Evolutionary Developmental Psychology.

Co-Editor (with Bruce Ellis) for Special Section of *Developmental Psychology* (2012). Beyond mental health: An evolutionary analysis of development under risky and supportive environmental conditions.

Co-Editor (with Carlos Hernández Blasi) for Special Issue of *Anuario de Psicología* (2008). Evolutionary developmental psychology.

Co-Editor (with Peter K. Smith) of Special Issue of *Journal of Experimental Child Psychology* (2004). Evolutionary developmental psychology.

Editor for Special Issue of *Developmental Review* (2004). Memory development in the new millennium.

Occasional Reviewer

Acta Psychologica; Advances in Child Development and Behavior; Applied Developmental Science; American Educational Research Journal; American Journal of Mental Deficiency; American Journal of Mental Retardation; American Journal of Psychology; American Psychologist; Animal Behaviour; Behavior Research Methods; Instruments & Computers; Biology Letters; British Journal of Developmental Psychology; Canadian Journal of Psychology; Child Development; Child Development Perspectives; Childhood in the Past; Contemporary Educational Psychology; Cultural Anthropology; Current Directions in Psychological Science; Current Anthropology; Current Biology; Current Psychology Letters; Development and Psychopathology; Developmental Neuropsychology, Developmental Psychology; Developmental Psychobiology; Developmental Review; Developmental Science; Economics and Human Behavior; Educational Psychology Review; European Journal of Developmental Psychology; Evolutionary Psychology; Evolutionary Behavioral Science; Evolutionary Psychological Science; Evolution and Human Behavior; Evolutionary Studies in Imaginary Culture; Frontiers in Psychology; Human Nature; Infant Behavior and Development; Intelligence; International Journal of Behavioral Development; International Journal of Mental Health & Addiction; International Journal of Play; International Journal of Psychology; Journal of Addiction Medicine; International Journal of Play; Journal of Cognition and Development; Journal of Comparative Psychology; Journal of Cross Cultural Psychology; Journal of Educational Psychology; Journal of Social, Evolutionary and Cultural Psychology; Journal of Experimental Psychology: Applied; Journal of Experimental Psychology: Learning; Memory and Cognition; Journal of Memory and Language; Journal of Psychoeducational Assessment; Learning and Individual Differences; Memory; Memory & Cognition; Merrill-Palmer Quarterly; Open Behavioral Science Journal Parenting; Perceptual and Motor Skills; PNAS, Psychological Reports; Psychological Review; Psychological Science; Psychology; Research in Human Development; Review of General Psychology; Science; Scientific Reports; School Psychology Quarterly; Sex Roles; Teachers College Record; WIRE

Reviewer for Book Publishers

American Psychological Association; Brooks/Cole; Erlbaum; Freeman Press; Prentice-Hall; Sage; Wadsworth; MIT Press; Oxford University Press; Cambridge University Press; Springer

Reviewer for Grant Proposals

National Institute of Mental Health, External Panel Member, Cognition, Emotion, and Personality Panel, 1989, 1990; National Institute of Education; National Science Foundation; Spencer Foundation; National Sciences and Engineering Research Council of Canada; Economic & Social Research Council (Great Britain); Swiss National Science Foundation; Wellcome Trust (Great Britain); Volkswagen Foundation (Germany); Research Council (Netherlands)

Program Review Committee, Member or Chair

Society for Research in Child Development
Conference on Human Development
American Educational Research Association

Consultant

External Advisory Board Member, Center for Evolutionary Psychological Science (CEPS) at Oakland University, 2021-present

Member, APA National Standards Advisory Panel, 2018-2022

Workshop participant, Best Practices in Early Childhood Learning: Reshaping Florida's Early Education. United Way Suncoast & The Evolution Institute, Tampa, FL, September 23, 2016.

Workshop participant, The CCLM Summer School 2015 of Swiss Graduate School for Cognition, Learning and Memory "Comparative Evolutionary Perspectives," Weggis, Switzerland, June 2015

Board Member, Florida Association of Infant Mental Health, 2010

External (non-EU) consultant, "Explaining Religion" (EXREL) Project, Oxford University, 2008

Member, Writing Style Working Group, for revision of 6th edition of APA *Publication Manual*, Fall, 2007

Consultant, American Psychological Association, on *Dictionary of Psychology*, February, 2002-2004

Board of Directors, Karen Slattery Educational Research Center for Child Development, Boca Raton, FL, 2001- 2006; 2014- 2018

Consultant, Florida Network of Community Based Early Learning ("Children First"), November 2001 – 2003

- Consultant on children's creativity to Bayer Corporation, April – August 2000
- Workshop presenter, German Research Group on Cognitive Development, Hirschberg, Germany, July 1999
- Consultant, Bloomsbury Publishing, London, on *Encarta Dictionary* Project, 1997-1999
- Organizer, "False Memory Creation: Theory, Research, and Clinical and Legal Implications," February 13 & 14, 1998
- Workshop Presenter, "Adolescent Development and the Juvenile Justice System" Juvenile Court Personnel Training Project, W. Palm Beach, FL, October 1997
- Workshop Presenter, "Examining New Ideas About Early Cognitive Development and Education," Ohio Early Childhood Education and School-Age Child Care Conference, Columbus, OH, October 1997
- Instructor, Early Childhood Summer Training Institute, Muskingum College, Jun1997
- Consultant to Manatee County, FL District Attorney's Office, August 1997
- Consultant on revision of the *McCarthy Scales*, The Psychological Corporation, 1995-96
- Contributing Editor, *Parents Magazine*, June,1986 - December 1991
- Summer Program for Cognitive Developmental Psychology, Gunzburg/Donau, West Germany, July 1990
- Program Consultant, Department of Psychology, Wake Forest University, Winston-Salem, North Carolina, March 1990
- Contributing Editor, *The Guide to Child Care & Education*, Delray, Beach, Florida, 1985
- Member, Research Advisory Committee, Johnstone Research and Training Center, Bordentown, New Jersey, October 1983

Television

- Featured in Scientific American Frontiers "Chimps R Us," initially broadcast April 3, 2001

Web Seminars/Presentations/Youtube Interviews/Blogs

Invited Addresses/Symposia

- Bjorklund, D. F. (June 2015). Epigenetic inheritance, maternal effects, and the evolution of human social intelligence. Invited talk, The CCLM Summer School 2015 of Swiss Graduate School for Cognition, Learning and Memory, "Comparative Evolutionary Perspectives," Weggis, Switzerland.

- Bjorklund, D. F. (June 2015). The adaptive value of looking and thinking young. Invited talk, The CCLM Summer School 2015 of Swiss Graduate School for Cognition, Learning and Memory, “Comparative Evolutionary Perspectives,” Weggis, Switzerland.
- Bjorklund, D. F. (June 2014). Evolutionary developmental psychology: Developing adaptations. Invited talk given at 1st Jean Piaget Conferences: Theories of Development, Jean Piaget Archives, Geneva, Switzerland.
- Bjorklund, D. F. (January 2014). Teaching psychology with an evolutionary perspective. Invited talk given at National Institute of the Teaching of Psychology, St. Pete Beach, FL.
- Bjorklund, D. F. (November 2013). The adaptive value of cognitive immaturity: Applications of evolutionary developmental psychology to early education. Paper presented at Evolutionary Perspectives on Educational Research, Policy, and Practice, Washington, DC.
- Bjorklund, D. F. (February 2013). Integrating an evolutionary perspective into the teaching of psychology. The Future of Introductory Psychology: A Worth Editorial Symposium, Delray Beach, FL.
- Bjorklund, D. F. (February 2010). Why youth is *not* wasted on the young: A view from evolutionary developmental psychology. Keynote address at Broward Psychology Association, Psychology Fair, Davie, FL.
- Bjorklund, D. F. (December 2009). Evolutionary theory meets early childhood. Special Address at meeting of Zero to Three: 24th National Training Institute, Dallas, TX.
- Bjorklund, D. F. (September 2009). Evolutionary developmental psychology. Invited address at Meeting of the German Developmental Psychology Society. Hildesheim, Germany.
- Bjorklund, D. F. (March 2009). Why youth is *not* wasted on the young: A view from evolutionary developmental psychology. Keynote address at Michigan Undergraduate Psychology Research Conference, Hillsdale, MI.
- Bjorklund, D. F. (November 2008). Why youth is *not* wasted on the young. Evolution and Early Childhood Education Workshop. University of Miami, FL.
- Bjorklund, D. F., & King, A. C. (October 2008). Human parenting from an evolutionary perspective. Invited talk given at Who is called a “parent” and why? An interdisciplinary investigation of the core questions at the heart of today’s family debates. Part II: Is parenthood gendered? University of Virginia, Charlottesville, VA.
- Bjorklund, D. F. (April 2008). Why youth is *not* wasted on the young: A view from evolutionary developmental psychology. Invited talk, Childhood between Biology and Culture, University of Utrecht, The Netherlands.
- Bjorklund, D. F. (December 2007). Maternal effects in the development and evolution of social cognition. Invited talk, Primate Behavior and Human Universals, VI. Göttinger Freilandtage, Göttingen, Germany.

- Bjorklund, D. F. (June 2007). The adaptive nature of immaturity: A view from evolutionary developmental psychology. Plenary address, Human Evolution and Behavior Society, Williamsburg, VA.
- Bjorklund, D. F. (March 2007). Darwin meets Piaget: Incorporating an evolutionary perspective in the teaching of developmental psychology. Invited address, Second Biennial Developmental Science Teaching Institute. Boston, MA.
- Bjorklund, D. F. (May 2005). Developmental plasticity and the emergence of human cognition: A view from evolutionary developmental psychology. Invited Address presented to the American Psychological Society, Los Angeles, CA.
- Schneider, W., & Bjorklund, D. F. (Co-chairs) (August 2004). Invited Symposium, Contemporary Issues in Research on Memory Development, at International Congress of Psychology, Beijing, China.
- Bjorklund, D. F. (October 2003). Memory development in the new millennium (Organizer), Invited Symposium presented at the meeting of the Cognitive Development Society, Park City, Utah.
- Bjorklund, D. F. (March 2003). Evolutionary developmental psychology. Keynote Address to the 2003 Tri-State Psychology Conference, Marshall University, Huntington, WVA.
- Bjorklund, D. F. (March 2003). Imitation in great apes: What can it tell us about human cognitive evolution? Invited paper presented at Symposium on The Evolution and Development of Cognition and Emotion, University of Miami, Miami, FL.
- Bjorklund, D. F. (June 2002). Evolutionary developmental psychology. Invited presentation at the meeting of the Wilhelm Wundt Society, Würzburg, Germany.
- Bjorklund, D. F., Brown, R. D., & Bjorklund, B. R. (December 1999). Age differences in children's eyewitness memory and suggestibility. Invited paper presented at Tsukuba International Conference on Memory: Lifespan Memory Development, Tsukuba, Japan.
- Bjorklund, D. F. (April 1997). An evolutionary perspective on human development. Psi Chi Keynote Address presented at the Southwestern Psychological Association, Fort Worth, Texas.
- Bjorklund, D. F. (March 1996). The uses of immaturity in human development. Invited Address presented at Conference on Human Development, Birmingham, AL.
- Bjorklund, D. F. (September 1995). The adaptive nature of developmental immaturity. Invited Address at German Psychological Conference (Developmental Psychology Group), Leipzig, Germany.

Conference Papers/Posters Presented (Since 2010)

- Mize, K., Platt, M., Jones, N. A., Bjorklund, D. F., & Bernard, A. (July 2018). Does concordance between jealousy behaviors and physiology reveal continuity or discontinuity across the first two years of life? Poster presented at International Congress on Infant Studies. Philadelphia, PA.
